## WORKSHOP DESCRIPTIONS

**First Canadian Resume** - Your resume is often the first point of contact between you and an employer. If you are a newcomer to Canada and interested in how to write an effective resume for the Canadian job market, join our workshop where you will learn the basics of resume writing, how to highlight your skills and what the difference is between a resume and a CV.

**Personal Branding** - In the competitive Canadian job market, it is a growing trend to brand yourself through social media to help you stand out from other applicants, tap the hidden job market, and to gain access to a network of professionals. This workshop will help participants understand how and why they should build and keep a positive online presence for the purpose of employment. Participants will be introduced to the concept of personal branding and how to use platforms such as LinkedIn, Facebook and Twitter to create their own personal brand.
